

Product information:

The series of AUDAC roll up banners is ideal for promoting the AUDAC brand. Easy and quick to put up and shipped with its own bag for transport, it's the perfect solution for trade shows or for decorating your own or your dealers showroom. The CELO & MERO banner shows a close-up image of the MERO6 speaker at the center, together with the complete CELO and MERO series at the bottom.

The base of the roll-up banner is made from a lightweight aluminum construction and has two revolving feet on the bottom which ensure that the banner can stand freely.
