Professional audio player catalogue v2.0

Product information:

Inside this catalogue, you will find an impressive range of media player solutions. This range includes professional internet audio players, media players, FM tuners, DAB tuners and even a voice file player. What makes this series so unique, besides its functional benefits, is that it allows you to choose between configuring your own modular player or use the single players available. This enables all audio fanatics to find their perfect solution within this extensive series.

We reserve the right to change specifications without notice, this is part of our policy to continually improve our products.
